

SYMPATHY FOR THE UNUSUAL SPRING SUMMER 2010

IT. Sympathy For The Unusual ritorna con la nuova collezione Spring/Summer 2010.

Rigorosamente made in Italy, 100% in cotone, i capi quest'anno portano il segno della fortunata collaborazione artistica con designers del panorama italiano e internazionale: Oisin Orlandy, Alvino, Luca Laurenti, Vanessa Teodoro, Robert Samuel Hanson e il collettivo Unusual Design Movement.

Mini collaborazione anche con gli amici del brand canadese Furni, esperti del 'woodworking' che hanno realizzato 2 pendants nella filosofia di sympathy: portare l'arte sulla pelle.
